<p><u>Exemption:</u> Historic plant vehicles are exempt from essential equipment requirements.</p>			
<p><u>Additional vehicle requirements:</u></p> <ul style="list-style-type: none"> • Applications must be accompanied by a Historic Vehicle Declaration and signed by a club official stating they are a financial member of a Roads and Maritime Services-recognised historic vehicle club. Vehicles can only be used for authorised club events or for servicing or inspection. • An historic vehicle must be 30 years of age or older as from the year of manufacture. • Vehicles must be as close to original condition as possible, with NO alterations except for safety features. • A roadworthiness declaration issued by the club (valid for 42 days) or safety inspection report (pink slip). • All lighting must be fitted as near as possible to the position specified in Schedule 2 of the Road Transport (Vehicle Registration) Regulation 2007. 			
<p><u>Driver Licence type required:</u> Appropriate to type of historic vehicle being driven</p>			
<p><u>Mandatory conditions:</u></p> <ul style="list-style-type: none"> • Use only in conjunction with authorised club event or maintenance. • Registered operator must be a member of a Roads and Maritime Services-recognised historic vehicle club. 			
<p><u>Additional condition for vehicles with hydraulic steering:</u></p> <ul style="list-style-type: none"> • Steering failure warning device/sign required. 			
<p><u>Additional condition for left-hand drive vehicles:</u></p> <ul style="list-style-type: none"> • Left-hand drive historic cars, trucks and buses that have a Gross 			

Vehicle Mass (GVM) up to 4.5 tonnes are NOT required to display a 'left-hand drive' sign. Where the GVM is greater than 4.5 tonnes, these vehicles require the words 'left-hand drive' to be displayed on the rear of the vehicle in letters at least 75 millimetres high, with a colour contrast background.

Additional condition for dual control vehicles:

- Dual control vehicle sign required.

Historic vehicles

Background

This policy has been produced by Roads and Maritime Services (formerly Roads and Traffic Authority) in conjunction with the Council of Motor Clubs, the Council of Heritage Motor Clubs NSW, the Old Motoring Club, the XW-XY Falcon Owners' Club, the Classic Italian Motorcycle Club and the Velocette Owners' Club.

Roads and Maritime Services registers historic vehicles under the Conditional Registration scheme, which provides the vehicle with limited access to the road network and Compulsory Third Party (CTP) insurance cover. Historic vehicles registered under this scheme are exempt from the payment of stamp duty, motor vehicle tax and national charges.

Conditional registration is only an option for historic vehicles if the registered operator of the vehicle is a member of a Roads and Maritime Services-approved Historic Vehicle Club and the vehicle's use of the road network is restricted.

See the list of Roads and Maritime Services-approved Historic Vehicle Clubs below (updated quarterly).

Note: For information about adding new clubs to the Roads and Maritime Services-approved Historic Vehicle Club list, please contact the Historic Vehicle Coordinator, Driver and Vehicle Administration, Grafton on (02) 6604 9391.

Eligibility

An historic vehicle must be 30 years of age or older as from the year of manufacture.

Trailers can be registered under this scheme, provided all the requirements are met.

Vehicles must be as close to original condition as possible, with NO alterations except for safety features such as seat belts and turn indicators or period accessories and options, if desired.

Note: LPG conversions are acceptable providing the Historic Vehicle Declaration is completed by the Club Registrar.

The registered operator must be a member of a Roads and Maritime Services-approved Historic Vehicle Club. Proof of club membership ([Historic Vehicle Declaration](#)) must be provided to Roads and Maritime Services prior to establishing or renewing conditional registration. Club membership cards are **not** acceptable.

Vehicle roadworthiness

A vehicle operating under the scheme must be declared roadworthy by:

- A safety inspection report (pink slip) issued by an Authorised Inspection Station examiner, or
- A club declaration of roadworthiness (valid for 42 days) issued by a club official (a safety inspection report **must** be provided if the club is less than two years old).

- If the vehicle is an historic plant vehicle, a customer roadworthiness declaration must be provided.

Vehicle use

Vehicles can only be used for events organised by their Club, another Club or recognised community organisations provided an official invitation has been received and documented by the Club in the official minutes, or the official 'Day Book'.

Vehicles can also be used on a road or road related area for:

- Servicing within a short distance from their place of garaging
- The inspection of the vehicle.

If a longer journey is necessary, the member must notify the Club Secretary so that they can enter the details in the Club's official 'Day Book' or minutes.

Any Club member wishing to use their vehicles for the carriage of persons to or from a wedding or reception should first check their legal obligation under the *Passenger Transport Act 1990* with Transport for NSW's Accreditation and Licensing Section on 1800 227 774 or (02) 9891 8900. The Club must also authorise the use of the vehicle for this purpose.

Vehicles must display conditional registration number plates and a current registration label.

Name bars may be affixed to the number plate provided the positioning of the name bar does not obscure the number plate.

Conditions

Historic vehicles registered under the conditional registration scheme are subject to the following conditions of operation:

- 'Registered operator must be a member of an authorised motoring club'
- 'Use only in conjunction with an authorised club event or maintenance'

The name of the registered operator's Club must be entered as a special condition. If the registered operator belongs to more than one club, the name of the primary club or both clubs may be entered as a special condition as requested. Other conditions may be applied as required.

The Certificate of Approved Operations, detailing the conditions applicable to the operation of the vehicle, must be carried in the vehicle whenever the vehicle is used on a road or road related area.

Loads

Historic vehicles registered under the conditional registration scheme must meet the following requirements if carrying a load:

- Loads cannot be carried for commercial purposes. Loads must either be the private property of the vehicle owner and/or carried as part of a club event.
- The maximum load allowed is two thirds of the manufacturers load limit, and

- The load has to be restrained to the performance based standards detailed in the [Load Restraint Guide](#)

Seatbelts and child restraints

Motor cars, tourers and limousines can only carry one person per seating position. Seat belts must be worn, where fitted.

Drivers of historic vehicles registered under the conditional registration scheme are exempt from the requirement to fit child restraints when carrying children between 12 months and seven years of age, **provided**:

- They have written advice from an authorised engineering signatory that it is not reasonably practicable to install seatbelts and/or child restraints in the historic vehicle, and
- This written advice is carried in the vehicle when transporting any child between 12 months and seven years of age.

All passengers under 12 months of age must be restrained in an approved child restraint

General

This policy applies to NSW and ACT Clubs listed on Roads and Maritime Services' database. All members must be financial members of these approved Clubs and must be NSW residents.

Vehicles registered under the scheme may operate temporarily in other States and Territories, under the same conditions as apply in NSW. Temporarily is considered to be three months continuously.

Interstate vehicles (operating under a similar scheme in their home state/territory) may be driven in NSW if they legally comply with the rules and regulations of their permit/registration.
