

## For Sale

### 1927 Model T Ford Camper

For sale is this unique one of a kind Model T Ford Camper van, this camper body was built onto an original 1927 Model T running chassis, it was built to drive around Australia in 2008 to celebrate the 100 year anniversary of the Model T Ford. The car successfully completed the tour and has attended many events since. It is a very reliable vehicle with many extras as listed below.

- Bob Croft restored motor with A model crank
- Accessory 3 speed KC Warford gearbox (modern version).
- Extra large radiator core
- Thermatic fan installed.
- Reversing camera
- CB Radio
- FM radio and CD player
- 4 to 1 diff ratio (10 tooth pinion)
- New crown wheel
- Safety hubs
- Hydraulic Rear Disk Brakes
- Wire wheels
- Front Bumper bars
- Built in battery charger
- Built in water tank
- Folding double bed
- Three burner LP gas stove and gas bottle
- Storage cupboards and draws for clothes and tools etc.
- Two 3 metre Aussie Traveller Awnings
- Two sets of annex walls (one heavy duty cotton and one lightweight nylon material).
- 12 volt fluoro lights (one in kitchen area one in bed area)
- Additional battery cradle for a 100 amp hour battery if required.
- Dual fuel tanks, one under cowl the second under the driver's seat.
- Toolbox mounted on running board
- Spare wheel under rear of body

This is a very rare vehicle and one with a great history, featured in Caravan and Motorhome magazine and Roam Magazine July 2018, won car of the show at All Ford Day 2012, won several other club display trophies also at All Ford Days. Easy camper to set up and has attracted huge amounts of attention all around Australia. Could be easily converted to a vendor van for Fruit & Veg, Flowers or Coffee etc.

Owner has moved to smaller residence and will not be camping anymore in this vehicle so passing on to another family to enjoy.

Price negotiable to genuine buyer. Asking price \$27,500 ono for a most unique one off vehicle.
