G'day again - all you Model T owners, drivers, lovers around this great country of ours. Yes it's time for our 2019 National Newsletter No.2 to go out to you all.

Since our first newsletter went out to you all, members of the MTOQ have been very busy in different ways raising much needed funds for the 2019 National and in doing so have had lots of fun doing it too. We have cooked some 2600 sausages, provided around 2000 drinks and run many club raffles at our MTOQ Club T Tours....!!!

We are now some two years away from what will be a very special National T Tour in Maryborough and it's so pleasing to see that we have already had so much interest from you all, along with our overseas Model T brothers & sisters. Remember this - (for those that have not yet registered) it makes it a lot easier for you and the National Committee to get your registrations in early because once you have paid your registration, it's then done & dusted early. You can then say - "that's now paid", then all you need to worry about is getting your accommodation booked. Oh and don't forget to bring that old fashioned money jar "of spending money - which you have been hiding away in the shed for Model T parts", with you in 2019....!!!

Something Very Special Now Installed In Maryborough.....

Mary Poppins themed pedestrian crossing lights are now up and running, this makes Maryborough the first town in Queensland to have themed pedestrian crossing lights. There are 4 sets of these lights within the town centre, they are a fantastic idea and a tribute to the towns theme of Mary Poppins....!!!

There really is so much happening in this town.

Continue T Touring, stay safe on those roads as we look forward to seeing you at the National in around two years' time when you all.... "Pop into Maryborough - 2019".

From your Tour Director - Peter Cameron.

Tour Dates

Sun. 29th September to Sat.
5th October, 2019

Final Payments

Final registration and full
payment must be received
by 30/6/2019

Maryborough on the beautiful Fraser Coast

Tour Accommodation Representative 2019 - Gary Berndt

In each newsletter, we introduce you to another of the Tour Committee people so you can get to know them a little bit before you arrive in 2019. In this edition, say a big "Hello" to Gary (and Robyn) Berndt – our accommodation rep for the Tour. Gary is also MTOQ Vice-President, and like our Tour Director Pete, always keeps a polish rag handy for his beautiful 1915 Model T Tourer. Gary and Robyn have been MTOQ members for almost 10 years now and are regulars at almost every club outing. For the 2019 National Gary will be the 'Go-To' man if you have any queries about staying in Maryborough. Say 'Hello' to the folks Gary!

Robyn & Gary Berndt

A Double Delight in 2019

As you know, the Model T Ford National in 2019 is being held in Maryborough from the 29th of September till the 5th of October. What some of you might not know though is that the Veteran Car Club will be holding their National event in Bundaberg (just 100 kilometres north of Maryborough) beginning just two weeks earlier. What this means for Veteran Model T owners is the opportunity to travel to the region for not just one, but two fantastic National events. Starting in Bundaberg, travel about that region for a week with the Veteran Cars, then take a few days to rest and enjoy before rolling down the road to Maryborough for the Model T event. By working together we are making sure entrants with veteran Model T's get to drive to different places on each event and get a real taste of the whole region. If your T is post 1918 (Vintage rather than Veteran), come up early anyway and enjoy seeing these sensational old vehicles all in the one place!

And on the subject of Veteran and Vintage cars, 2019 will mark the first official year that ANY 'Vintage' car turns 100 years old. With that in mind, we would love to have as many 1919 Model T's as we can at the event to celebrate this momentous time for Vintage cars. So if you have a 1919, or know someone with a 1919 T please help us by getting them along to Maryborough.

Event Central – The Brolga Centre

When you arrive in Maryborough, event registration will be at the amazing Brolga Centre on the Mary River. The centre will be our base for the week and affords us everything needed for a great event. There are easy driveway entrances to the centre and loads of car parking making it ideal for the registration area and the daily drive through to start each day's run. In addition it has a 600 seat theatre, and several areas for casual or more formal get-togethers - like our final dinner. You can take a short stroll down to the Mary River's walkways or wander through beautiful Queen's Park to the Heritage buildings of town. On registration day the Fraser Coast Council will be holding their monthly 'Sunday by the Riverside' event on the Brolga Centre's lawn. So collect your goodies, then stroll around the stalls and get your first real taste of Maryborough's hospitality. Until then, Happy Model T'ing Folks!!
