FUND RAISER - NUMBER PLATE AUCTION

We have reserved rally entry numbers 008 to 027 and 001 to be available to the highest bidder by auction.

The rally entry number identification for the car will be a windscreen sticker but for entries 08 to 27 there will be a metal number plate similar in size to the NSW historic registration plate.

From now to June the 30th 2022 bids will be via the bid form below to be emailed to rally20t2@gmail.com and the top bid will be advised in the following newsletter. From June the 30th all the bidders for each number, will be emailed with the latest bid each time a bid comes in for that specific rally number.

Final bids will be received to 8pm AEST Sydney on the 10th of August and the winning bidder will be advised by email and have 10 days to make the payment of the bid amount or it will be offered to the under bidder.

In the event there are two or more identical bids at the close of the auction the winning bid will be determined by being the first of those bids received in the rally email inbox.

If you are successful in the auction your existing rally number will become void. The Minimum Bid is \$25 to cover the cost of the number plate.

You must have a valid rally entry for your bid to be accepted.
