**JULY 2022**

**NEWSLETTER NO 11**

**ENTRIES**

We now have 124 entries and 4 expressions of interest.

On July the 17<sup>th</sup> there are just 70 days to the rally.

## **DIETARY PREFERENCES**

WE are finalising our arrangements with the various caterers, and we now require numbers for those participants that wish Vegetarian and Gluten Free meals or other allergies.

The response to last months email has been very low so if you have a special dietary need, please advise by return email as if you do not advise of your dietary requirement our food contractors cannot provide meals to suit you.

Can you please email [rally20t2@gmail.com](mailto:rally20t2@gmail.com)

Please confirm by name for each person requiring these dietary classifications covered by your entry and include your entry number.

Each participant will be issued with a lanyard with an identity tag which will carry dietary requirements to ensure we have enough suitable meals.

*All participants will need their lanyard identity to access the provided lunches and the evening meals. Please make sure you have all passengers entered as participants.*

## **TO REMEMBER**

Each day before you set out on a run you need the Item check,

- 1) Rally route instruction book - So you know where you are going
- 2) Rally Drinking Mug – So you can get morning tea
- 3) Identity Lanyard – So you can get Lunch
- 4) Check your Fuel – So you get there

If you want to read up on the past Newsletters, they are on the club website

<http://www.modeltfordclubnsw.org.au/> under the tab National rally and then the tab Newsletters

## **RALLY TIMTABLE**

Please find attached a rally timetable, this is a preliminary timetable which includes some arrangements that have not been finalised and is provided to assist you with planning the other things you will want to do in Dubbo.

The Rally is not making official visits to the Dubbo Zoo, the Dubbo Observatory, or the Dubbo Goal.

## **DISPLAY DAYS AND DRESS UP OPTIONS**

We have had some comment that we have not provided advice to (some) participants that there are several functions where the wearing of period costume is encouraged (but is not a requirement) can you make sure **all the participants** included in your entry are made aware of this opportunity.

## **FINAL BREAKFAST**

Tickets for the final breakfast will be available at check in. The breakfast will be a continental style. We are hoping that this will be another included meal, but it may be required to have a small co-payment.

## **COMFORT SEATING**

Many of the destinations for morning tea and lunch do not have much available seating and we suggest you bring some casual seating that you can carry in your Model T.

## **LANYARD PRINTING**

We wish to print the lanyards in August so please make sure we have the latest information on your intended passenger by the end of July. Lanyards will be needed to access lunch meals and the evening functions. This information is also used for the provision of the rally mug with the sponsors logo

## **VOLUNTEERS**

We are looking for volunteers for the provision of back up trailers so if you know somebody that might like to come to the rally provide a backup trailer for the week, both the meal package and a fuel allowance will be provided.
