

Around Australia Reunion

INVITATION

To all the original members of this once in a life time tour, you are invited to attend the first reunion of this event.

It has been nine years since we set off on this iconic journey to conquer the big lap in our Model T Fords. The trip was not without its problems and challenges but we all made it home safely with a unique record under our belts.

On the last weekend in October we are asking you all to join us in a reunion weekend at Gunning in NSW. We have been in contact with the local Lions Club and they will be using this event to raise money for the Alzheimer's Charity.

The camp site at Gunning is a free camp but has showers and toilets and is next to the local swimming pool

We have chosen the last weekend of October (26th – 30th) because they have their street markets on that weekend (8 am to 2 pm Sunday) which will give us a better opportunity to raise more money for the charity. Local news will be made aware of our visit which we hope will boost numbers.

Gunning was chosen as it is reasonably central to all members and only a few hours' drive to get there.

There is a nice pub in town just two minutes' walk from the camp site where we can have a nice meal one night. . For those who do not wish to camp there is some accommodation at the Gunning Pub, they have four double bedrooms contact Phone 02 4845 1217.

The camp site is also next to a nice creek. I am sure we will all have a lot to discuss as I am sure much has happened since 2008.

Please reply to this invitation by emailing Gary & Marilyn at gptravellers@gmail.com or by calling 02 9773 3361, before the 30th June as there are still arrangements to be made.

Looking forward to all your responses and attendance at this event.

Regards, Gary & Marilyn Amesbury
